वैशिष्ट्ये : (OUR FEATURES)

Outcomes Based Education :

We prioritise outcomes-based education by organising expert lectures and emphasising practical knowledge. This approach ensures that students gain valuable, real-world skills.

Industrial & Site Visits :

We organize a variety of site and industrial visits to enrich students' knowledge and practical experience. These visits provide valuable insights into real-world applications of their studies, bridging the gap between theory and practice.

Other Curricular & Co curricular activities

The college organizes various co-curricular activities to support students' artistic talents and increase social awareness. These activities provide a platform for creative expression and foster a sense of responsibility towards societal issues.
